Franklin Cornette opposes abortion on demand.

Franklin Cornette would support amending the current Parent's Right to Know law so that a parent's right to receive notice of a minor daughter's abortion would be enforced, rather than a "second physician" signing off on a secret abortion.

Doug Facemire supports abortion on demand.

Doug Facemire voted to allow unborn babies who can feel pain to be aborted from 20 weeks to birth. He also voted against banning dismemberment abortions in the second trimester, a procedure which tears a living fully-formed unborn baby apart piece by piece. His 0% pro-life voting record spans eight years.
