Adam Marcum and Brad White support amending the current Parent's Right to Know law so that a parent's right to receive notice of a minor daughter's abortion would be enforced, rather than a "second physician" signing off on a secret abortion.

Nancy Guthrie & Larry Rowe support abortion on demand.

Nancy Guthrie (0% pro-life voting record) and Larry Rowe (17%) voted to allow unborn babies who can feel pain to be aborted from 20 weeks to birth. They also voted against a ban on a second trimester abortion method that tears a living, fully-formed unborn baby apart piece by piece.
