

UNBORN CHILD PROTECTION FROM DISMEMBERMENT ABORTION ACT

June 25, 2015

SECTION 1. SHORT TITLE.

This Act may be cited as the “[NAME OF STATE] Unborn Child Protection from Dismemberment Abortion Act.”

SECTION 2. DEFINITIONS. –For the purposes of this Act:

(a) “ABORTION” means the use or prescription of any instrument, medicine, drug, or any other substance or device--

(1) to purposely kill the unborn child of a woman known to be pregnant; or

(2) to purposely terminate the pregnancy of a woman known to be pregnant, with a purpose other than--

(i) after viability to produce a live birth and preserve the life and health of the child born alive; or

(ii) to remove a dead unborn child.

(b) “ATTEMPT TO PERFORM AN ABORTION” means to do or omit to do anything that, under the circumstances as the actor believes them to be, is an act or omission constituting a substantial step in a course of conduct planned to culminate in oneself performing an abortion. Such substantial steps include, but are not limited to,

(1) agreeing with an individual to perform an abortion on that individual or on some other person, whether or not the term "abortion" is used in the agreement, and whether or not the agreement is contingent on another factor such as receipt of payment or a determination of pregnancy; or

(2) scheduling or planning a time to perform an abortion on an individual, whether or not the term "abortion" is used, and whether or not the performance is contingent on another factor such as receipt of payment or a determination of pregnancy.

This definition shall not be construed to require that an abortion procedure actually must be initiated for an attempt to occur.

(c) “DISMEMBERMENT ABORTION” means, with the purpose of causing the death of an unborn child, purposely to dismember a living unborn child and extract him or her one piece at a time from the uterus through use of clamps, grasping forceps, tongs, scissors or similar instruments that, through the convergence of two rigid levers, slice, crush, and /or grasp a portion of the unborn child’s body to cut or rip it off.

(1) The term ‘dismemberment abortion’ does not include an abortion which uses suction to dismember the body of the unborn child by sucking fetal parts into a collection container, although it does include an abortion in which a dismemberment abortion, as defined in section 2 (c), is used to cause the death of an

unborn child but suction is subsequently used to extract fetal parts after the death of the unborn child.

(d) "PHYSICIAN" means a person licensed to practice medicine and surgery or osteopathic medicine and surgery, or otherwise legally authorized to perform an abortion.

(e) "PURPOSELY" means the following: A person acts purposely with respect to a material element of an offense when:

(1) If the element involves the nature of his conduct or a result thereof, it is his conscious object to engage in conduct of that nature or to cause such a result; and

(2) If the element involves the attendant circumstances, he is aware of the existence of such circumstances or he believes or hopes that they exist.

[Note: The definition of "purposely" is drawn from Model Penal Code §2.02(2)(a)]

(f) "SERIOUS HEALTH RISK TO THE UNBORN CHILD'S MOTHER" means that in reasonable medical judgment she has a condition that so complicates her medical condition that it necessitates the abortion of her pregnancy to avert her death or to avert serious risk of substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions. No such condition may be determined to exist if it is based on a claim or diagnosis that the woman will engage in conduct which she intends to result in her death or in substantial and irreversible physical impairment of a major bodily function.

(g) "WOMAN" means a female human being whether or not she has reached the age of majority.

SECTION 3. Dismemberment Abortion

Upon a motion of the person accused, the court shall delay the beginning of the trial for not more than thirty (30) days to permit such a hearing to take place.

The court, upon motion or sua sponte, shall make such a ruling and, upon determining that her anonymity should be preserved, shall issue orders to the parties, witnesses, and counsel and shall direct the sealing of the record and exclusion of individuals from courtrooms or hearing rooms to the extent necessary to safeguard her identity from public disclosure. Each such order shall be accompanied by specific written findings explaining why the anonymity of the woman should be preserved from public disclosure, why the order is essential to that end, how the order is narrowly tailored to serve that interest, and why no reasonable less restrictive alternative exists. In the absence of written consent of the woman upon whom an abortion has been performed or attempted to be performed, anyone other than a public official who brings an action under section (4) or (5) shall do so under a pseudonym. The legislature hereby declares that it would have passed this Act, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provisions, sections, subsections, sentences, clauses, phrases, or words be declared unconstitutional.
