**Chris Stansbury opposes abortion on demand.**

Chris Stansbury would support amending the current Parent's Right to Know law so that a parent's right to receive notice of a minor daughter's abortion would be enforced, rather than a "second physician" signing off on a secret abortion. He amassed a 100% pro-life voting record as a Delegate.

**Corey Palumbo supports abortion on demand.**

Corey Palumbo voted to allow unborn babies who can feel pain to be aborted from 20 weeks to birth. He also voted against banning dismemberment abortions in the second trimester, a procedure which tears a living fully-formed unborn baby apart piece by piece. Over 13 years serving in both the House and the Senate, his pro-life voting record is 0%.
