Tyson Smith opposes abortion on demand.

Endorsed

Tyson Smith would support amending the current Parent's Right to Know law so that a parent's right to receive notice of a minor daughter's abortion would be enforced, rather than a "second physician" signing off on a secret abortion.

Robert Plymale worked against WVFL.

Although incumbent Senator Robert Plymale did vote to override the Governor's veto of the Unborn Child Protection from Dismemberment Abortion Act, **he worked against the bill in committee.** The abortion procedure which was used in the second trimester (now banned in WV) tears a living fully-formed unborn baby apart piece by piece.
