Patricia Rucker opposes abortion on demand.

Endorsed

Patricia Rucker would support amending the current Parent's Right to Know law so that a parent's right to receive notice of a minor daughter's abortion would be enforced, rather than a "second physician" signing off on a secret abortion.

Stephen Skinner supports abortion on demand.

NO

Stephen Skinner voted to allow unborn babies who can feel pain to be aborted from 20 weeks to birth. He also voted against banning dismemberment abortions in the second trimester, a procedure which tears a living fully-formed unborn baby apart piece by piece.
