

“Before I formed you in the womb I knew you, before you were born I set you apart...” -- Jeremiah 1:5

A pro-life bulletin insert for churches across West Virginia

## Pro-Life Rally Day

West Virginians for Life is looking forward to seeing you at the State Capitol in Charleston on Monday, February 5. This is provided the Capitol Dome is NOT under construction. Keep checking the Events section of [wvforlife.org](http://wvforlife.org) to see if the event is forced to cancel. Join us in prayer that this is not the case.

The day starts out with registration after 9:00 a.m., meetings with legislators (pre-arranged by you) from 10 - 11 a.m., and introductions in the House and Senate chambers at 11, which allow the public to see how procedures in state government work.

The noon rally is the marquee event where pro-life legislators will get to say a few words at the mic, special music will fill the air, timely topics will be addressed from the podium and a prayer walk afterward (with participants carrying crosses to represent the numbers of unborn babies killed by abortion) concludes the day.

Plan now to take off the day from work. This is also a wonderful field trip for schools.

## Wesley Smith to Address End-of-Life Issues at State Pro-Life Convention

State Convention guest speaker will be lawyer, award winning author and bioethicist Wesley Smith. He speaks worldwide on end-of-life issues and is the expert often called upon by the U.S. Congress to publicly testify in that regard.

Fittingly, the theme of the WVFL State Convention on October 21, 2017, is *Life is for Everyone*. Held at Horizons Church, 8302 Mt. Clare Road in Lost Creek, WV, the doors will open at 9:00 a.m. for registration. The event begins at 10:00 a.m. and lasts until 3:00 p.m.

Teens will have their own special Day Camp while the adult convention is being held. They will be in a separate space for most of the day led by our NRL Academy alum, Lacey Evans. Their program will be geared especially to teens.
